# **PRESS RELEASE**

## **SPAR Launches New Store at Jandowae**

SPAR Australia would like to announce the addition of a brand new store to its growing group, with the grand opening of SPAR Jandowae.

The purpose built store opened with a bang on Saturday 5<sup>th</sup> December with plenty of fun in the sun. Customers were welcomed to inspect the store and join the SPAR Jandowae team for a Lions Club sausage sizzle, face painting, and the official ribbon cutting ceremony, complete with cake.

This great new store offers fresh produce, straight from the markets and local farmers, plus a strong deli offering with sharp prices across all of its fresh departments. In addition to this, customers can find all of their grocery, dairy, frozen and general supermarket needs.

Store Owner Nick Holman, along with his wife and two children, plan to bring their passion for retail to the local Jandowae community. Teaming up with SPAR Australia and bringing this renowned international brand to Jandowae will see a fantastic new offer available in the region.

“I have a 28-year history in retail, working for multi-national companies and independent retailers. I worked my way up from pushing trolleys,” says Nick.

“I have a passion for people and am determined to give my customers a great shopping experience.”

Nick and his family are also passionate about the local Jandowae community.

“Our personal plans are to listen to what the community wants and evolve with them,” says Nick.

“The local community did not have a strong fresh offering so we have focused on produce and using existing fresh offerings in the community.”

The Holman's hope the local community will support their new business, just as they plan to support the community.

"Local community is very important to me and supporting the town and the shire. When established we want to support the local horse community and football clubs."

Nick believes he couldn't have chosen a better partner to achieve this dream than SPAR Australia. SPAR's 'family business helping family businesses' philosophy is a perfect fit.

"Choosing SPAR I felt I was being welcomed into a family. The support and advice for a first time owner has helped beyond what I expected."
