

INDUSTRY LANDSCAPE

Membership

MGA members around Australia continue to rely upon the strong support service that MGA provides. For the price of an all-inclusive membership fee, members can avail themselves of MGA's highly skilled and capable team for advice and support pertaining to many "back of house" matters, whether they be legal and HR, training or local advocacy matters.

MGA's total membership of over 2,450 members remains steady in all states.

There have been some ownership changes – single store owners selling their stores to multi store owners e.g. SA – Foodland Ardrossan sold to Drakes Supermarket Group. Hardware store membership increased by 10 stores. Liquor store membership continues to be challenging.
